

COLORFUL CRITTERS FROM OUR CREEKS

A printable coloring book

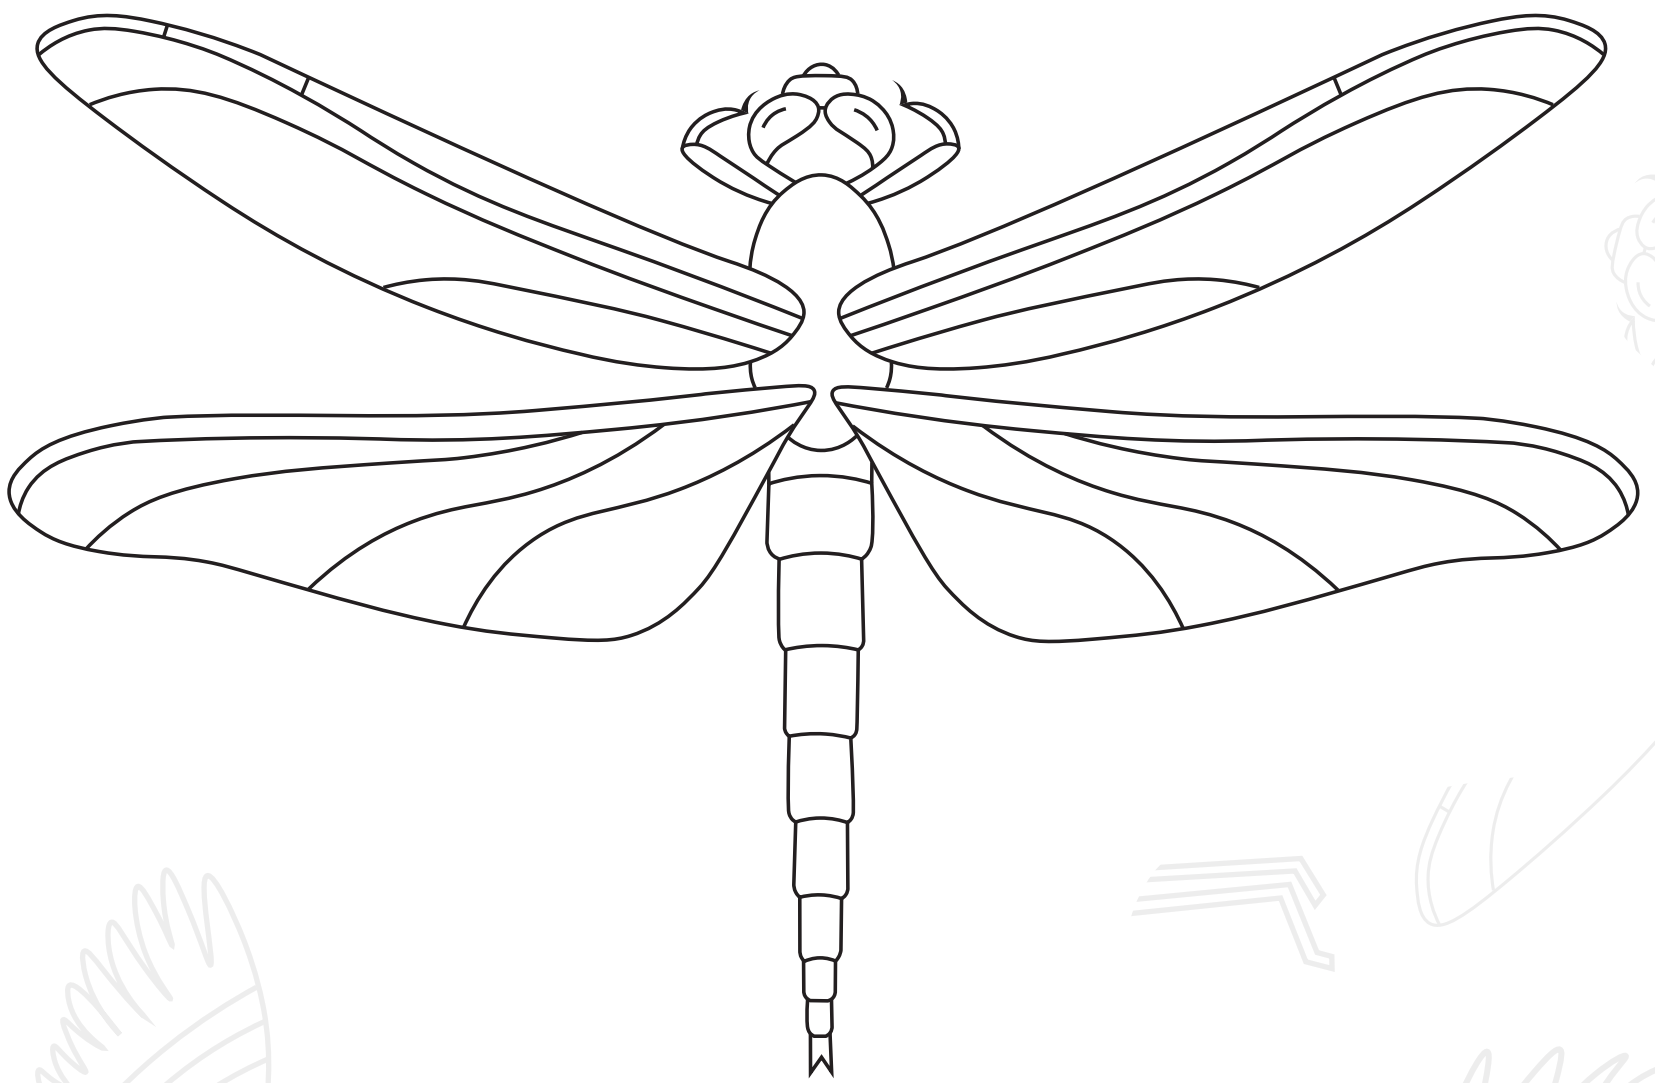

BELTED KINGFISHER

*Have you seen me fishing near the creek?
Look for my burrow right next to or over the water.*

POST protects and cares for open space, farms and parkland in and around Silicon Valley.

openspacetrust.org 

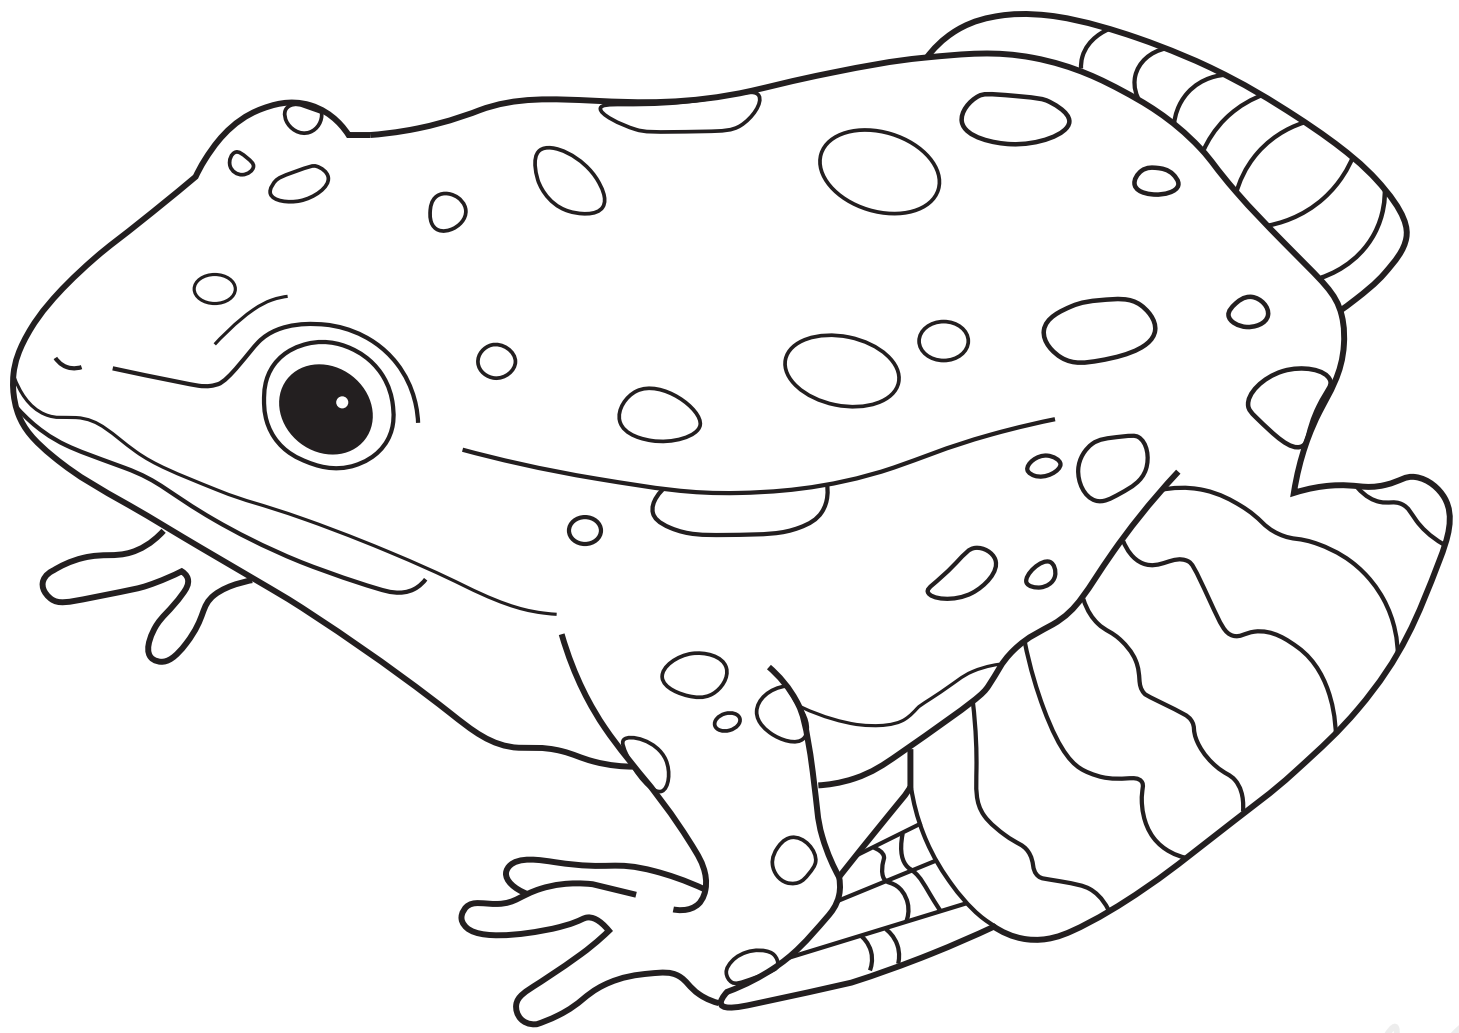

GREEN DARNER DRAGONFLY

*Every year, I migrate to Mexico and back
to avoid the cold days of winter.*

POST protects and cares for open space, farms and parkland in and around Silicon Valley.

openspacetrust.org 

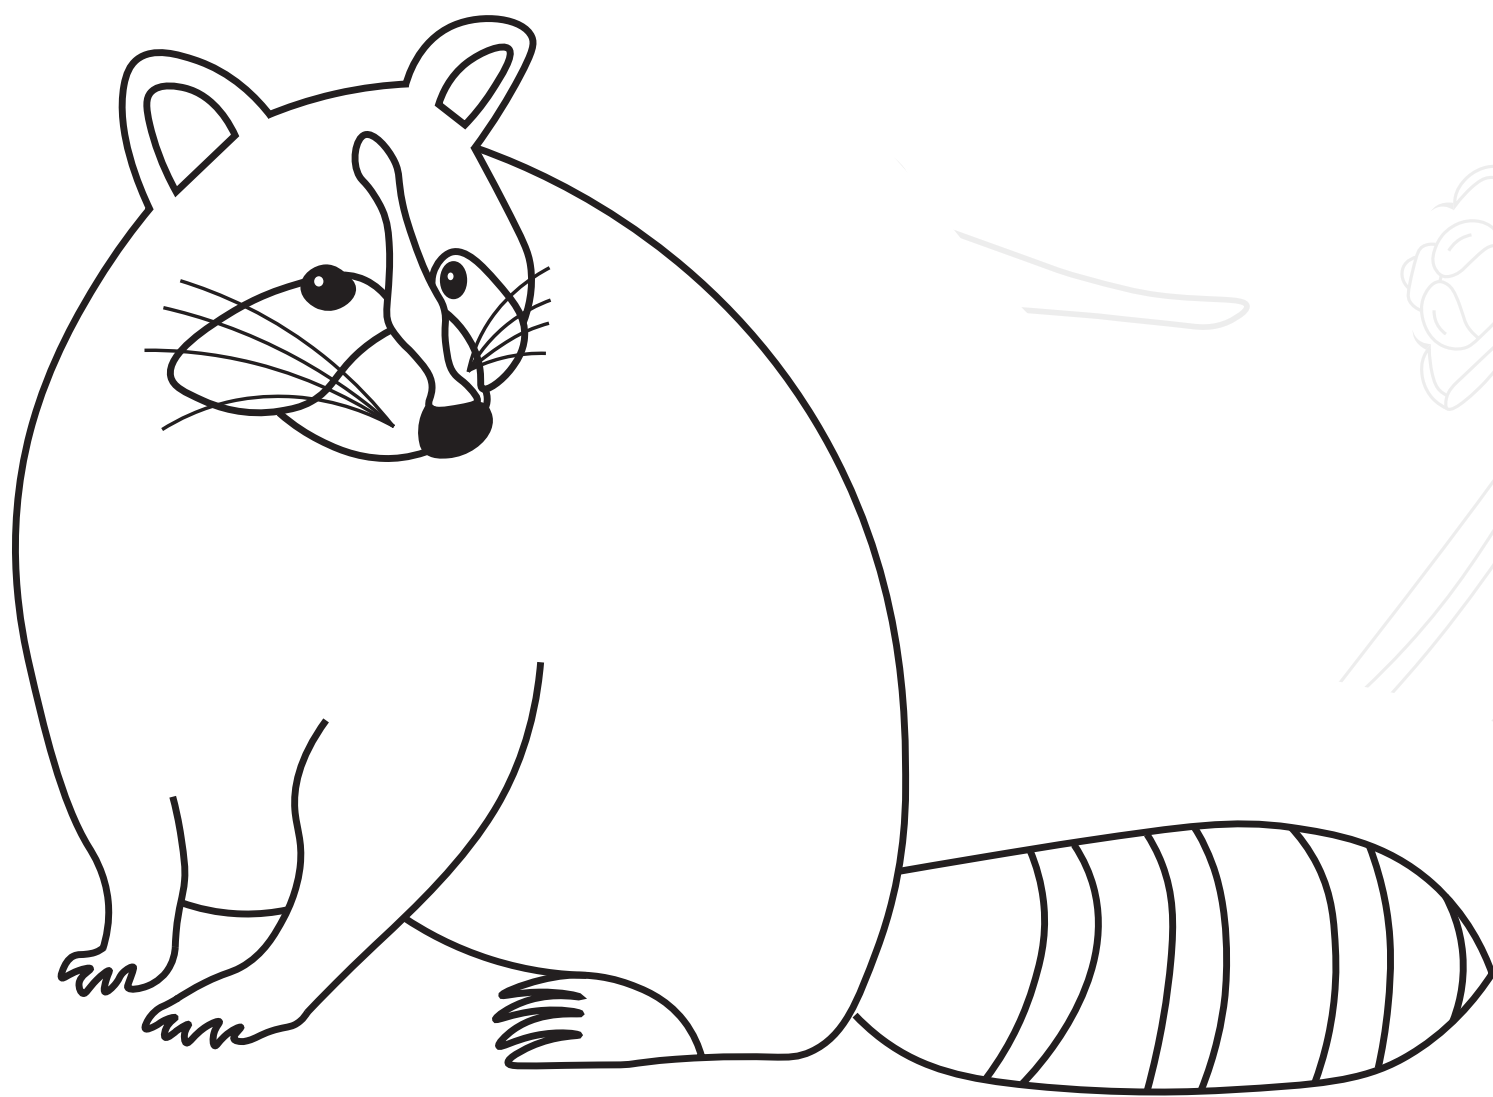

RED-LEGGED FROG

*I love the water, but I can live on land too.
That's why they call me an amphibian.*

POST protects and cares for open space, farms and parkland in and around Silicon Valley.

RACCOON

*I'm nocturnal, which means I like to sleep all day
and I'm awake all night.*

POST protects and cares for open space, farms and parkland in and around Silicon Valley.

STEELHEAD

*I was born in the creek, but when I grow up
I'll swim to the ocean to find more food.*

POST protects and cares for open space, farms and parkland in and around Silicon Valley.
